Script

**Background music
and/or sound effects**

**Visuals
(images or
text-only
slides)**

Intro

Introduce the podcast episode with attention-grabbing dialog, a catchy jingle, and/or meaningful sound effects.

Body

Hold the interest of the audience with engaging dialog, background music which enhances the content, and/or meaningful sound effects.

Outro

Conclude the podcast episode with interesting wrap-up dialog, a closing jingle (same as intro), and/or meaningful sound effects.
